Other: _____

A key piece of this program is to introduce you to all the wonderful possibilities that Columbus has to offer. Please write a short answer to help us understand what would draw you to stay in Columbus, what you are looking for in a community - begin with where you have found community before and what elements you would like to see in your post-college life. Feel free to list specific employment/personal opportunities you may be seeking.

PLEASE RETURN TO:

Hillel
